HOME OF THE BRONCS

McLurg High School

Principal's Pen

It's so good to have everyone back in the building! September always brings a special kind of energy—new classes, new routines, and plenty of excitement for the year ahead. One of the best things about high school is the chance to explore different courses, whether it's continuing with something you love or trying out something brand new.

A quick reminder for families: if your child is going to be absent or running late, please give the office a call to let us know. It really helps us keep track of everyone and make sure our students are safe.

We've already had some great moments to celebrate! Both of our volleyball teams had strong showings at their tournaments, and it's been exciting to see so many other extracurricular activities getting underway. School is really what you make of it, so I'd encourage every student to jump in, get involved, and make the most of the opportunities here—it's a big part of what makes school fun and meaningful.

We also want to thank our parents for the support you give. If you're interested in volunteering or helping by driving students to extracurricular events, you can pick up a parent driver package at the office. Your involvement really helps us offer the best experiences possible for our kids.

It's already shaping up to be a fantastic year, and I can't wait to see all the great things our students will accomplish this fall!

Kirsten Nett
Principal

SENIOR GOLF

Maddex Irwin, Emerson Cey and Nate Nyhus represented McLurg in Senior Golf District on September 17th, and they did it with both skill and character. The day brought plenty of ups and downs—as golf always does—but they kept their spirits high and showed great sportsmanship within their assigned groups. Win or lose, their attitude never wavered, and they carried themselves with incredible class. They not only played the game, but also showed what it means to be outstanding ambassadors for our school. Thank you, gentlemen!
Mrs. Nett

CROSS COUNTRY

We have had a wonderful X-country season thus far, with amazing weather and courses. So far, we have attended meets in Biggar, Wilkie and Unity. I would like to extend a special thank you to all the staff and students who volunteered their time at our home meet. Your efforts are truly appreciated and made the event run smoothly. I am so impressed by the x-country runners we have participating this year. Casey Askildt, Lindsey Fugard, Jacob Gallant and Jeremy Gallant always give their best efforts at each and every meet.

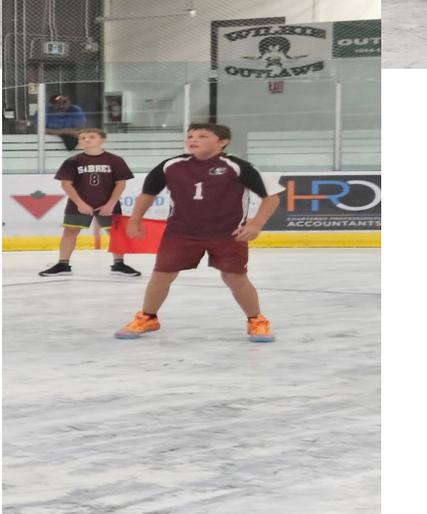

On October 2nd, we are off to Districts at Little Loon Regional Park. Wishing all our runners the best of luck!

BRONCS VOLLEYBALL NEWS

The junior boys started their season off finishing in fourth place at our home tournament. As we had only had a few practices, the boys came together exceptionally well as a team. We look forward to what the rest of the season will bring for us with league play and growing together as a team. This year, we are very fortunate to have Cooper and Cruz assisting with coaching – demonstrating exceptional leadership skills. Thank you, Cooper and Cruz.

Coach L'Hoir

Jr. Girls Volleyball

The Jr. Girls Volleyball season has officially started this year with a great turnout of athletes! We have 16 students which allowed us to have two teams at our home tournament on September 13th. The girls learned a lot throughout the tournament with McLurg 2 placing 4th in their pool and 8th overall and McLurg 1 placing 2nd in their pool and 4th overall. They also have played some league games which is helping them learn rotations and more about gameplay. Keep up the great work girls!

We would also like to extend a huge thanks to the Sr. Girls and Sr. Boys Volleyball teams, Coach Braun, and Coach Mamer who all helped make our home tournament such a success.

Coach Toothill and Coach Loewen

Tournament @ Wilkie

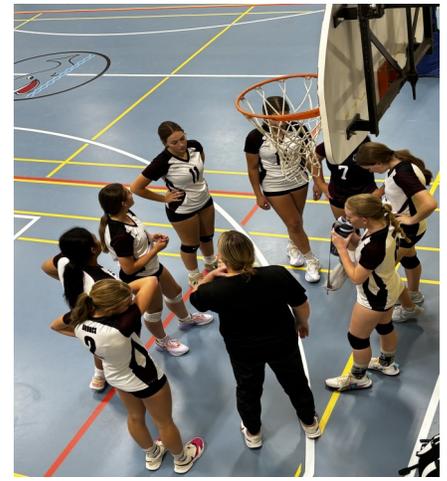

Sept 5/6

The Sr Girls and Boys hosted our home tournament back in the rink this year. The girls had 10 teams total where they place 4th in their pool. We played Medstead, Maymont, Plenty and Meadow Lake in our pool. We crossed over and played Unity B team where the girls won, and then played Meadow Lake again and lost in 3. We finished 8 out of 10 teams.

Tournament @ Maidstone

Sept 19/20

Our second tournament was in Maidstone. In their first pool the girls split with Leroy, with two extremely close games and then played Maidstone B team and won both sets. This put them in the Gold Bracket. They then played Edam and won, facing off against Maidstone A in the semi-final, where they lost. In the bronze medal game for the Gold bracket, they played Medstead and lost 53-51.

Tournament @ Wadena

September 26/27

This past weekend we attended a tournament in Wadena where the girls played Ituna, Wadena A, Foam Lake and Langham. We ended up 3rd in our pool and crossed over and played Wadena B team, where the girls won and advanced to the semi finals. Here they had to play Wadena A team again, where we lost. There was no bronze game, so the girls finished 3 or 4.

Each tournament keeps getting better and better, as we continue our play this coming weekend at NBCHS.

Coach Braun, Coach McJannett.

Senior Boys –Becki Schell & Mr. Mamer

The boys started the season winning gold at the returning McLurg SuperVolley Tournament. They took the next weekend off to help out at our junior tournament. Next they were at Maidstone MegaVolley, and last weekend were at JPH competing against 4A and 5A schools. They split most of their games and winning a lot of them in total points, but didn't win enough sets to get them to the finals. The boys showed great skills and grit, making amazing digs and winning some fantastic rallies! It is looking like another great season for these boys!

CHARITY IN ACTION

This year, we are trying our hand at Crochet. If you would like to join
